## COLLECTION **HEXAGONE**

Les panneaux **HEXAGONE** sont fabriqués à partir de gypse de très grande qualité, un matériau naturel qui est amical avec l'environnement et non inflammable.

Ses panneaux jouent aussi le rôle d'un très bon isolant thermique et phonique, leurs caractéristiques les rendent durables et résistants aux dommages liés à l'utilisation quotidienne.

L'installation des panneaux **HEXAGONE** est facile, rapide et innovante, plus besoin d'être un professionnel pour réussir votre magnifique revêtement mural 3D.

**INKA** vous propose 13 motifs de panneaux **HEXAGONE**, leur forme contemporaine et leurs dimensions idéales font de ces panneaux un matériau incontournable dans vos aménagements intérieurs.
